

# CUSTOMIZED TRAINING

## Information Session

### Is Training Your Staff Too Costly?

Get awards of up to \$400,000 to develop a customized training program and ensure your staff has the skills needed to *grow your business*.

Training can help your business:

\*Improve Productivity

\*Reduce Turnover

\*Stay Competitive

**Customized Training** is a competitive program that provides funding to help businesses invest in their staff. You pick the training, we cover up to 70% of the costs.

If you are a business owner interested in training more than 10 employees, come in for our free information session and we will walk you through the process of applying!
